CAREER OBJECTIVE

I'm a computer science student with a strong interest in software engineering and full-stack development using Java and the MERN stack. I enjoy solving problems and writing clean, efficient code. I'm looking to join a team where I can contribute to real projects, grow my skills, and collaborate with others who are passionate about technology.

EDUCATION

- **Bachelor of Technology in Computer Science**
Lakkireddy Balireddy College of Engineering, Mylavaram, India
September 2022 – June 2026
Current CGPA: 8.70 / 10 (as of 3rd year, 2nd semester)

SKILLS

- **Programming Languages:** Java, Python, C
- **Web Development:** HTML, CSS, JavaScript, MERN
- **Frameworks & Libraries:** NumPy, Pandas
- **Tools & Platforms:** Git, GitHub
- **Data Structures & Algorithms:** Arrays, Linked Lists, Sorting & Searching Techniques
- **Soft Skills:** Problem Solving, Team Collaboration, Communication Skills, Time Management

WORK EXPERIENCE

MERN Stack Developer Intern (May-July 2024)

Bitzron Softech – Summer Training

- Gained practical exposure to MongoDB, Express.js, React.js, and Node.js through hands-on training.
- Worked on small features and debugging tasks under mentor guidance.
- Improved skills in Git, REST APIs, and full-stack workflows.
- Used Git and agile methods to contribute in a collaborative development setting.

PROJECTS

Chat App (Real-Time Messaging Platform) | <https://chat-app.vercel.app>

- Built with React, Firebase Auth, and Firestore for 1-on-1 real-time messaging
- Used Firestore queries and listeners to sync messages and maintain chat state
- Implemented email/password auth and protected routing
- Designed a responsive chat UI with auto-scroll and message alignment

Personal Portfolio Website | <https://bharathportfolio-18.vercel.app/>

- Built with React and Tailwind CSS for a clean, modern UI
- Fully responsive design for all devices
- Showcases projects, skills, and contact details
- Live hosted with fast load times and smooth navigation

ACHIEVEMENTS

- Participated in MERNStackHackathon at LBRCE with 50+ student teams (2024)
- Active NSS member

CERTIFICATIONS

- C programming Certification- EBOX (2024)
- Biztron softtech intern Certification - (2023)
- AWS Certified Cloud Practitioner(2024)
- Salesforce AI Associate - (2024)
